To commemorate Dr. Kalam's birthday, the United Nations declared October 15 to be World Student's Day in 2010. Dr. Kalam received recognition from the UN for his work in education, youth development, and his sincere love for students. This day is celebrated to spread the message about the importance of science used in daily life of people and to display all the activities, efforts and achievements in the field of science for human welfare.

During this lamp lightening was done along with Pratima Pujan of Dr. APJ Abdul Kalam. Again after this Dr.S A Pishwkar Sir incist all the Students as well as teaching and non-teaching staff to read the famous book of Dr. APJ Abdul Kalam named “The Wings of Fire”.

Programme Outcomes:

- World Students day was celebrated on 15 October to honour the contribution of students and promote awareness about the importance of education.
- Along with that all students got information to highlight the importance of science in the society and its role in promoting peace and sustainable development. It aims to raise awareness about scientific advancements and encourage public engagement with scientific knowledge.
- All students learnt philosophy inspired many movements around the world, promoting civil as well as educational rights and freedom by listening to Speech given by Principal Sir.
- This is again helpful to the students to know about non-violence and peace movement.
