Its responsibility of the entire citizens to keep their surrounding clean .community people were encouraged to maintain their surrounding clean. Thus the students of New College of Pharmacy have initiated one steps towards- cleanliness”

Collection of Garbage from the campus was done while all the students gathered to clean the surroundings of the individual buildings in the campus. All they enthusiastically collected plastic wastes, tea cups, weeds, and dry leaves spread over the surrounding areas. They gathered all the waste and trash bags to the place where the college arranged for the removal of collected wastes.
