- Dr.S.A.Pishwkar Sir, gave a short talk on the Chhatrapati Shahu Maharaj after the Pratima Pujan of Chhatrapati Shahu Maharaj. He said that, Chhatrapati Shahu Maharaj, also known as Rajarshi Shahu was considered a true democrat and social reformer. First Maharaja of the princely state of Kolhapur, he was an invaluable gem in the history of Maharashtra. Greatly influenced by the contributions of social reformer Jyotiba Phule, Shahu Maharaj was an ideal leader and able ruler who was associated with many progressive and path breaking activities during his rule. From his coronation in 1894 till his demise in 1922, he worked tirelessly for the cause of the lower caste subjects in his state. Primary education to all regardless of caste and creed was one of his most significant priorities. He did an essential activity of spreading schooling within the Bahujan Samaj. Free number one schooling to all youngsters within the state. He became additionally constantly insistent on women's schooling. He diagnosed inter-caste marriage to get rid of casteism and untouchability. Stopped filling separate faculties for the untouchables.
